Anita G. Wood was re-elected to a second term in April 2013 to represent City Council Ward 3. She has been a resident of Clark County since 1971 and has lived in North Las Vegas since 1993. Her civic involvement began two years later when she and some neighbors led the five-year movement that ultimately resulted in the City Council changing its zoning ordinances to prohibit resolutions of intent.

She also sits as vice-chairwoman of the Local Elected Officials Consortium, and as a member of the Nevada Governor's Clean Energy Sector Council.

Prior to her election, Wood served on the North Las Vegas Citizens' Advisory Committee, Utility Advisory Board and Planning Commission.

Wood also has served on the board of directors for Neighborhood Housing Services of Southern Nevada and Friends of the North Las Vegas Library District.

The councilwoman graduated from the North Las Vegas Police Department Citizens' Police Academy and is a member of the Citizens' Police Academy Alumni North.
